The Havana Range

Our Havana oak collection has been designed to compliment both traditional and contemporary homes. It is beautifully made in the traditional manner and the finish is a very soft sheen lacquer making it practical and functional.

The clean lines and design details give our furniture a distinctive look. The range can have either steel or forged, dark copper colour handles/knobs.

The wardrobes dismantle enabling them to go up the smallest staircase and the beds are supplied with sprung slats making them very comfortable. The tables also dismantle for ease of access.
