# The Mottisfont Collection

# The Mottisfont Collection

This wonderful collection of furniture is made from pine or oak and is available in a waxed or painted finish (cream, off white, green, blue) finished with wooden knobs or metal handles.

The oak options are only available with the painted finishes. Handles can be omitted if you want to choose your own. Most pieces are made or finished to order and therefore you should expect a 6 – 8 week lead time. Any items in stock that match your requirements are available immediately.

Bespoke items can be made on request – either alterations to pieces you see in the brochure or something completely new conjured in your mind. Please ask your stockist for a quote. Lead times for bespoke pieces are approximately 12 weeks.

The construction of this collection, in our opinion, exceeds the standards of similar ranges found in the UK market place today. All drawers are dovetailed and mortice and tenon joints are used on all doors. Also apparent is the substantial timber used throughout which ensures a solid and robust piece that will last more than a lifetime.

## PLEASE NOTE

All sizes are quoted in millimeters (height, width, depth) and are approximate.

We reserve the right to alter dimensions and specifications at any time and without notice.

These images cannot be reproduced without written consent and are protected under © 2008 Copyright TFW Ltd. This brochure is produced as a guide only.

All painted pieces are available with an oak or pine top.

Any handle is available in all finishes.
